

## **OPEN POSITION FOR AN ALTERNATE RESIDENT IN VETERINARY ANESTHESIA AND ANALGESIA**

Clinica Veterinaria San Marco (Italy), a recognised ECVAA satellite centre, offers a position for an alternative resident in Veterinary Anesthesia and Analgesia under the supervision of Dr Elisa Bortolami (Dip.ECVAA). Clinica Veterinaria San Marco is a state of the art tertiary hospital with a high case load in small animals anaesthesia, analgesia and intensive care, while appropriate externships (large, exotics, laboratory animals anaesthesia) will be organized in order to fulfill the requirements established by the European College of Veterinary Anesthesia and Analgesia (ECVAA) for board certification.

The candidate should have completed a rotating internship of at least 12 months or should have an equivalent clinical experience. Knowledge of Italian is desirable as well as good knowledge of English.

The deadline for applications is June 6th 2021; interviews will take place on line, dates and times will be notified to short listed candidates. Applications should include:

- curriculum vitae
- letter of intent
- two letters of recommendations
- certificates (undergraduate studies and internship certificate, etc) - veterinary licensing documentation

This position is a 4 years program and will start on October 1st 2021.

After an initial probationary period, appointments will be made for 12 months, with annual renewal based on satisfactory completion of the previous year.

The dead line for application is June 6th 2021. Applications should be sent by e-mail to [elisa.bortolami@sanmarcovet.it](mailto:elisa.bortolami@sanmarcovet.it).
