

One-year Small Animal Dermatology Internship San Marco Veterinary Clinic and Laboratory

San Marco Veterinary Clinic is offering a **one-year Small Animal Dermatology Internship position** for Veterinarians with a keen interest for canine and feline skin and ear diseases.

Applicant requirements

Veterinary Medicine degree, professional license and a 1-year Rotating Internship at a University or a comparable Private Practice are mandatory. English language is also required.

The Intern will join the Dermatology staff in the daily clinical activities as well as the case discussion and the weekly journal club.

The standard working hour will be from 8.00 a.m. to 18.00 p.m., including a short lunch break, five days a week.

A scholarship will be provided to support the Intern.

Submitting an application

Please submit your CV together with a short covering letter at **dermatologia@sanmarcovet.it** at the **attention of Dr. Michela De Lucia**

We look forward to hearing from you.
