

## Three - year Residency Training Programme in Neurology and Neurosurgery at San Marco Veterinary Clinic and Laboratory

### Position

San Marco Veterinary Clinic is offering a three-year ECVN approved Neurology and Neurosurgery Residency position. The successful candidate will join the rapidly expanding Neuroteam in their daily clinical, electrodiagnostic and neurosurgery activities.

### Residency Direction

Dr. Marika Menchetti, DVM, Ph.D, ECVN Diplomate, EBVS® European Veterinary Specialist in Neurology – Head of Neurology and Neurosurgery Department

### Requirements

Applicants must have successfully completed a rotating internship (or have experience small animal practice) and a neurology/neurosurgery internship. A strong passion and knowledge in veterinary internal medicine, neurology and surgery is preferable. The successful candidate must have good interpersonal and organisational skills and must be capable to work in a very large multidisciplinary team.

### Applications

Applications should include:

- curriculum vitae
- letter of intent
- two reference letters
- certificates (undergraduate studies and internship certificate, etc)
- veterinary licensing documentation

### Deadline

The 3-year program is available to start from October 2022. Deadline for application is **July 17th 2022**.

### Info & Contact

Applications should be sent by the candidate by email to [marika.menchetti@sanmarcovet.it](mailto:marika.menchetti@sanmarcovet.it).
