

San Marco

Three - year Residency Training Programme in Small Animal Surgery

Position

San Marco Veterinary Clinic is currently accepting applications for a 3-year standard residency program in Behavioural Medicine. San Marco Veterinary Clinic is a state-of-the art tertiary hospital with an annual caseload of approximately 11000 patients

Residency Direction

Dr Stefania Uccheddu, DVM, MSc, Ph.D., ECAWBM-BM Diplomate, EBVS® European Veterinary Specialist in Behavioural Medicine

Requirements

The candidate must have completed a 12-month rotating internship or have similar clinical experience with a focus on behavioural medicine. It is preferable to have knowledge of both Italian and English. Publications in peer-reviewed journals and academic or recognized titles in behavioural medicine and animal welfare are recommended. Prior to the interview, short-listed candidates are encouraged to visit San Marco Veterinary Clinic

Applications

Applications should include:

- curriculum vitae
- letter of intent
- two reference letters
- certificates (undergraduate studies and internship certificate, etc)
- veterinary licensing documentation

Info & Contact

Applications should be sent by the candidate by email to stefania.uccheddu@sanmarcovet.it
