

## Three - year Residency Training Programme in Clinical Pathology at San Marco Veterinary Clinic and Laboratory

### Position

San Marco Veterinary Clinic and Laboratory offers a position for a resident in clinical pathology (ECVCP). San Marco Veterinary Clinic and Laboratory is a state-of-the-art tertiary hospital with a high case load. The Clinical Pathology service includes an ECVCP diplomate and an ECVCP resident. The staff of the lab also includes 4 ECVP diplomates, an ECVM resident, veterinarians and biologists.

### Residency Direction

Dr. Tommaso Furlanello, DVM, Ph.D, ECVCP Diplomate, EBVS® European Veterinary Specialist in Veterinary Clinical Pathology – Scientific Director of the Laboratory

### Requirements

The candidate should have completed a rotating internship of at least 12 months or should have an equivalent 2 years clinical experience. Knowledge of Italian is desirable as well as good knowledge of English. Dates and times of interviews will be notified to short listed candidates.

### Applications

Applications should include:

- curriculum vitae
- letter of intent
- two reference letters
- certificates (undergraduate studies and internship/clinical experience certificate etc)
- veterinary licensing documentation

### Info & Contact

Applications should be sent by the candidate by email to [tommaso.furlanello@sanmarcovet.it](mailto:tommaso.furlanello@sanmarcovet.it)
